

YOUR QUICK START GUIDE TO ANZ DIRECT MOBILE

Four easy steps to get started

STEP ONE GET YOURSELF ACTIVATED

The System Administrator (or a Super User) for your ANZ Direct Online site will need to enable your user id to access ANZ Direct Mobile.

This can be done in the 'Manage Users' screen accessible via the 'Administration' menu.

The screenshot shows the 'User Details' page for a user with ID 150595. The user's name is MELISSA CAIN. The password expires in 30 days and the user status is 'Active'. There are checkboxes for 'Reset Password', 'Reset to 'Able to log On'', and 'View Welcome Screen'. The 'Same Day Cleared Payment Transaction Limit' is set to 99,999,999.99. The 'ANZ Direct Mobile User' checkbox is checked and highlighted with a red box.

STEP TWO LOAD THE ANZ DIRECT MOBILE LINK

Type m.anzdirect.co.nz into your browser.

Or, scan this QR code with your mobile phone.

Tip – Some of the free QR scanning programs include a built in web browser which may be used to open the link. If your QR software opens a browser that differs from normal then look for a menu item to launch into your usual browser.
